

Week Of Service

“All Salem Youth working side by side, on a mission to serve older members of Salem Church.”

Dear Friends of Salem's Youth,

It is time once again for our annual week of service! The week of service is planned for May 5 – May 9, and is a week set aside for all Salem youth members to come together and help out members of our church family. I hope you will consider allowing us to come and serve you in this way!

How does this work? We are forming small work crews made up of members of our youth groups and our youth leaders. These crews will be meeting at 5 PM each evening from May 5 – May 9, and traveling to the home of somebody in our church family, and working until the sun goes down. We hope that we will be coming to your home!

What type of work can be done? We would like to find small projects that can be completed by a group of 6-8 youth and a few adults in a single evening. Example projects could include lawn cleanup, bush trimming, flower planting, fence painting, rock moving, window washing, garage cleanup, or spring cleaning. Of course this isn't a complete list. We want to help out with whatever you need us to do!

Why is the youth doing this? One of our goals in the youth program is to teach our youth how to be more like Christ. Jesus came to the earth to serve, and we want to model that behavior. Besides that, we acknowledge that you have done so much to support the youth program over the years, and we feel it is our turn to give something back to you!

How can I get a work crew to come to my home? Since we need to assemble the work crews and assign projects in advance, we ask that you fill out the enclosed service request form and return it to the church by **Sunday, April 27, 2008**.

If you have additional questions, you can call me at 484-332-0955.

- Rich Peachey, Youth Director
